# WELCOME

## Welcome to UniLodge On Waymouth

We trust that your stay here will be both enjoyable and productive. Management is aware that you are not only here to enjoy yourself but also to study, and we understand that at times you will be under pressure to complete assignments.

The Resident Handbook is designed to ensure that everybody understands the building and observes the Rules of Occupancy so that all residents can enjoy their stay. It also forms an important part of your lease terms and obligations.

Most of the issues in this Resident Handbook are based on common sense and many have already been explained during the initial sign-up process. The regulations are designed for your COMFORT, SAFETY and SECURITY.

We hope that this Handbook will be useful to you in answering any questions and in assisting you with the most common problems that may occur.

UniLodge On Waymouth Management wants to develop an atmosphere that provides students with the greatest opportunity to maximise their success, enjoyment and experience from their time studying in Adelaide.

Residents who have received warnings and continue with unacceptable behaviour will be issued with a Notice to Leave and an application will be made for eviction.

In addition to the termination provisions, Notice to leave will be given to any resident who is found to be:

These practices are against the law. Residents must note that these practices lead to immediate eviction and possible prosecution.

## Under 18 Residents

UniLodge provide much more than just 'accommodation' for our Under 18s. Along with a happy, safe and comfortable community environment, UniLodge provides an extra level of special care for our Under 18s. In support of our Under 18s program, UniLodge have implemented a solid operating platform of processes and procedures, staff training and development, all of which underpin the delivery of this niche service offering.

UniLodge has a solid understanding of the legislation in relation to accommodation for Under 18 year old student residents and delivers a service which meets the heightened duty of care and ensures the safety and wellbeing of our Under 18s. For all Under 18s, the Licence to Occupy/Occupancy Agreement (contract) must be signed by their parent or a legal guardian. To ensure their safety all residents (under 18's) must sign-in at reception nightly prior to 10.00pm. After signing in they are not to leave the building.

Our staff then check that all residents are in house and anyone who has not signed in is followed up to ensure that it is a simple oversight and that they are safe and secure within the building. Under 18 residents are only permitted to be absent from the building overnight with the prior written consent of the Parent/Guardian. To ensure that we obtain all relevant details we ask that Parents/Guardians complete our **Overnight Absence Form**, stating the number of nights of absence and providing emergency contact details.

# BREAKING THE RESIDENTIAL TENANCY AGREEMENT

---

The Residential Tenancy Agreement is a legally binding document, which if broken will incur penalties. Where a resident believes that they cannot stay in the apartment or continue to pay the rent, they must notify UniLodge management as soon as possible.

When considering prematurely terminating your Residential Tenancy Agreement, it is your responsibility to do the following:

- Continue to pay the rental payments for the remainder of the agreement or until the apartment is re-let plus a portion of the letting fee, calculated according to the Residential Tenancies Tribunal formula.
- You may help in finding another suitable person to take over your apartment so there is a continuation of payments to the apartment owner.
- In all cases a departure cleaning fee applies

You have entered into a legally binding agreement and you are responsible for the payment of the rent under this agreement for the agreed term. UniLodge reserves the right to seek recovery of these monies should you fail to meet your legal requirements. We have the resources to recover monies owed to us outside of Australia.

## Utilities

### Electricity

You need to pay for your telephone and electricity. You will need to connect these utilities yourself. We can assist you with this through using a company called Sumo, but please speak to us if you wish to use this free service. Please ensure that you pay this bill within 14 days. The amount you pay for your utilities fee will vary depending on what electrical appliances you use and your general usage.

- Non-payment of bills may lead to a termination of account.
- If required, there may also be charges for cleaning and repairs. Invoices must be paid within 14 days.

### Internet

Internet service is managed by SuperLoop to provide broadband internet for residents. Unlimited internet is included in the weekly rental amount.

# REFUND POLICY – DEPOSIT AND ADVANCED RENT

---

## Refunds

If an applicant has fulfilled all obligations as defined by UniLodge but the offer of accommodation at UniLodge is withdrawn, or if UniLodge management is unable to provide accommodation in accordance with our obligations, all advance Rent instalments will be fully refunded. However, while we will try to offer applicants the rooms or apartments of their choice, this may not always be possible. If applicants are offered similar alternative accommodation within the same UniLodge facility before commencement of their lease or upon their arrival, but wish to decline this offer, a cancellation fee may apply.

If your application has been accepted and you have paid your deposit of 2 weeks rent and you change your mind, then you are not entitled to a refund. Once the deposit has been received, this is taken as confirmation that you will move into that room and sign the lease that has been offered.

## No Refund

In the event of a resident being evicted for whatever reason, the resident will not be eligible for refund of any Rent paid until another resident is found.

At the end of a Residential Tenancy Agreement, where damage has been caused to UniLodge property and the Bond is not enough to cover the cost of rectification, the Bond will be claimed and the resident will remain liable for any additional costs.

Where a resident breaks a Residential Tenancy Agreement without cause, the resident is not eligible for any refund or advanced rent until another resident is found.

Your apartment windows are made of glass. Do not store or place items in contact with the glass as this may damage the glass or create a heat trap causing the window to break. Avoid extreme temperature changes such as splashing hot water on cold glass or cold water on hot glass as this may lead to thermal fracture of the glass.

**Care and maintenance:** Clean mirrors and windows with either glass cleaner such as Windex or a damp lint-free cloth. DO NOT use scouring pads or abrasive cleaners.

## Aluminium and Stainless Steel Surfaces

Your apartment's kitchen sink is made of stainless steel and your apartment's window and door frames are made of aluminum. These are soft metals which will mark and scratch easily.

Your apartment's kitchen is made from laminated timber cupboards and stone bench tops. Chopping directly on the bench top or placing hot objects on the laminate will cause permanent damage. ALWAYS use a chopping board when cutting up food and DO NOT place hot objects on the bench top – it may burn and you will be held responsible.

There are called 3M Brand adhesive/removable hooks. DO NOT use sticky tape or blue tack.

**Care and maintenance:** Marks on walls can be removed by a gentle wipe with a damp clean cloth and mild cleaning liquid.

## Tiled Surfaces

Your apartment's bathroom and balcony/terrace (if applicable) is tiled. DO NOT place potted plants directly onto tiled balconies as staining will occur.

# WE CARE ABOUT YOU!

---

## Settling In

Most Students coming from overseas to live and study in a new country experience a certain amount of 'culture shock'.

The people, the weather, the food and the buildings will be new and may even seem different in the beginning. It may take you a little time to get used to your new surroundings, and a feeling of homesickness or loneliness is not unusual.

Many new students, including Australian students, are living away from their family and friends for the first time so we encourage you to become involved in Student Activities and Events, so that you will make new friends and begin to feel more 'at home'.

There are many different nationalities represented at UniLodge. If you are having difficulty in settling in or with the language, we are here to help you. We have a number of students from various countries here to help you settle in. These students may have at some stage during their early days here also experienced loneliness or homesickness.

Please come and see us if only for a chat. UniLodge wants your stay to be a happy one. We want you to achieve your goals, but to also gain self-reliance, confidence, abilities and resourcefulness.

# COMMUNICATIONS

## Our Staff

UniLodge strive to provide community based support. One of the big advantages of living in a community is that there is always someone to help. Do not keep your worries to yourself - the sooner we get on to them, the sooner we can help you to resolve the problem. Confidences are kept, and you can be assured of a sympathetic ear, regardless of the size or nature of your problem. New residents often experience difficulty adjusting to:

- The transition from school to tertiary / university life
- A different education system and different demands
- Living away from home, and fending for themselves
- Being away from the support of family and friends
- Settling into city life, a new state or a new country
- Language barriers
- Life style and culture changes, this may come as a shock, and may include:
- Finding their way around i.e. transport, clubs, churches etc.
- Setting up bank accounts

UniLodge staff members are here to assist you with all these issues and more. Feel free to pop down to our office and we will be happy to give you the information you need.

**Anyone affected by illness, accident or death of a relative, should talk to the Manager at the office. If necessary we can refer you to the appropriate counsellors for further support.**

## UniLodge Residential Advisors (RAs)

Dedicated Residential Advisors are on hand after hours to help look after your welfare and safety. Our Residential Advisors are students themselves and know what it is like to live away from home. They can help with a number of different inquiries. Please feel free to pop by reception and we will be happy to give you the information you need.

When the reception is closed, a Residential Advisor will be on duty to assist with your needs. These Residential Advisors will work closely with UniLodge Management relaying all issues that arise within the building.

Residential Advisors are extremely important members of the UniLodge Staff, and therefore all Residents must comply with all requests that they issue. They can be contacted outside the normal office hours on 0448 500 066.

## Balanced Timetable

Residents need to work out a balanced timetable for themselves, one that will allow the work to be done, but without excluding participation in extra-curricular activities. Your time at university should be one in which you are prepared to move out of some of your routine patterns of experience, to discover new interests and talents - academic, religious, sporting, cultural or social. But do not spend too much time on any one activity, to the exclusion of others - and remember that study should be your first priority, and not left for the last week before examinations.

## Study Problems

If you have an academic problem, talk to us as soon as it arises - don't leave it until it is too late! If you are experiencing any concerns regarding course and subject selection, preparation for examinations, dealing with tutors and lecturers, applying for special consideration due to sickness or family troubles, we can help to refer you to the relevant department or faculty that will be able to resolve any issues. As a resident you will experience differing levels of stress at various times, particularly around examination time. We are here to provide a climate in which you can maximise your academic achievements.

**Residents must always be tolerant of other resident's study habits.**

## Personal Problems

Do not be afraid to confide in the appointed UniLodge specialist staff to discuss any personal issues that are getting you down, they are here to support you and provide guidance, assistance and referral where necessary. Our staff also has relations with University provided counsellors (for University students) or community provided health specialists, should you require specialist support.

## Financial Problems

If you are experiencing any financial difficulties, please speak to the Manager at the Office. Often these difficulties can be managed with a financial plan. In addition, Universities have their own Student Financial Service Unit usually managed by a Students Services department.

## Translators

If for any reason you require a translator please contact the office and we can try to arrange for assistance.

## Privacy

Your privacy is important to us. Should you wish to discuss any matter in private, please ask.

## Overseas Student Health Cover

International Students on a study visa must have Overseas Student Health Cover (OSHC). Your OSHC paid is usually for a six or twelve month period. On arriving in Australia you will need to confirm your OSHC with the Insurance Company and complete an Application for OSHC. Residents will be required to present their Confirmation of Enrolment form as proof of their status.

If you allow your membership to lapse, the company may notify the Department of Immigration, which could result in your student visa being cancelled.

You must renew your cover each time you re-enrol to study or every 12 months. To do this you will need your membership card, passport and a letter from your college, university etc. confirming your re-enrolment.

Under OSHC you are covered for accommodation and/or treatment in Public Hospitals. This applies whether you need to stay in hospital or are a patient at the hospital's outpatient clinic or in the emergency/casualty department.

Your OSHC does not cover ambulance, dental, pharmaceutical, glasses and/or contact lenses. If you or your parents want you to be covered for these items, you will be required to pay extra for this type of insurance cover.

Ambulance service in Australia is very expensive and ambulance cover is recommended.
