# *Moon Over Kodhipparu*

CURATED LUNAR EXPERIENCES  
IN THE MALDIVES

This May, experience the Maldives through the rhythm of the moon, where every phase brings a new way to connect.

# THE RHYTHM OF THE MOON

At Grand Park Kodhipparu, luxury is not defined by excess but by connection.

This May, we invite you to align your stay with the natural rhythm of the moon. From golden sunsets to starlit skies, each lunar phase reveals a different energy — calm, celebration, reflection, renewal.

Whether through wellness rituals, ocean experiences, or intimate dining moments, every experience is designed to help you:

- Reconnect with yourself
- Celebrate with others
- Immerse in nature

This is *Connected Island Luxury* — guided by the moon.
