EXPLORE FASCINATING CITY; ISTANBUL

Istanbul, the bustling metropolis of Turkey, is a city full of charm, where the past goes hand in hand with the present and every step brings to light a relic of times gone by. At the crossroads of two continents - Europe and Asia - this spectacular city has absorbed the best of both worlds. With its beautiful historic landmarks, quintessential cuisine, vibrant nightlife, festivals of art and music, celebration of faith, labyrinths of marketplaces and shopping arcades, the beating heart of Istanbul, and the soul of Bosphorus.

Istanbul, with its rich history spanning more than two thousand years, has a distinctive cultural identity drawn from its many diverse and colourful influences. This identity is clearly reflected in its exquisite art and architecture, and Istanbul boasts some of the most truly intriguing attractions from Hagia Sophia Mosque, Topkapı Palace and The Grand Bazaar to Blue Mosque, Dolmabahçe Palace and Maiden's Tower.

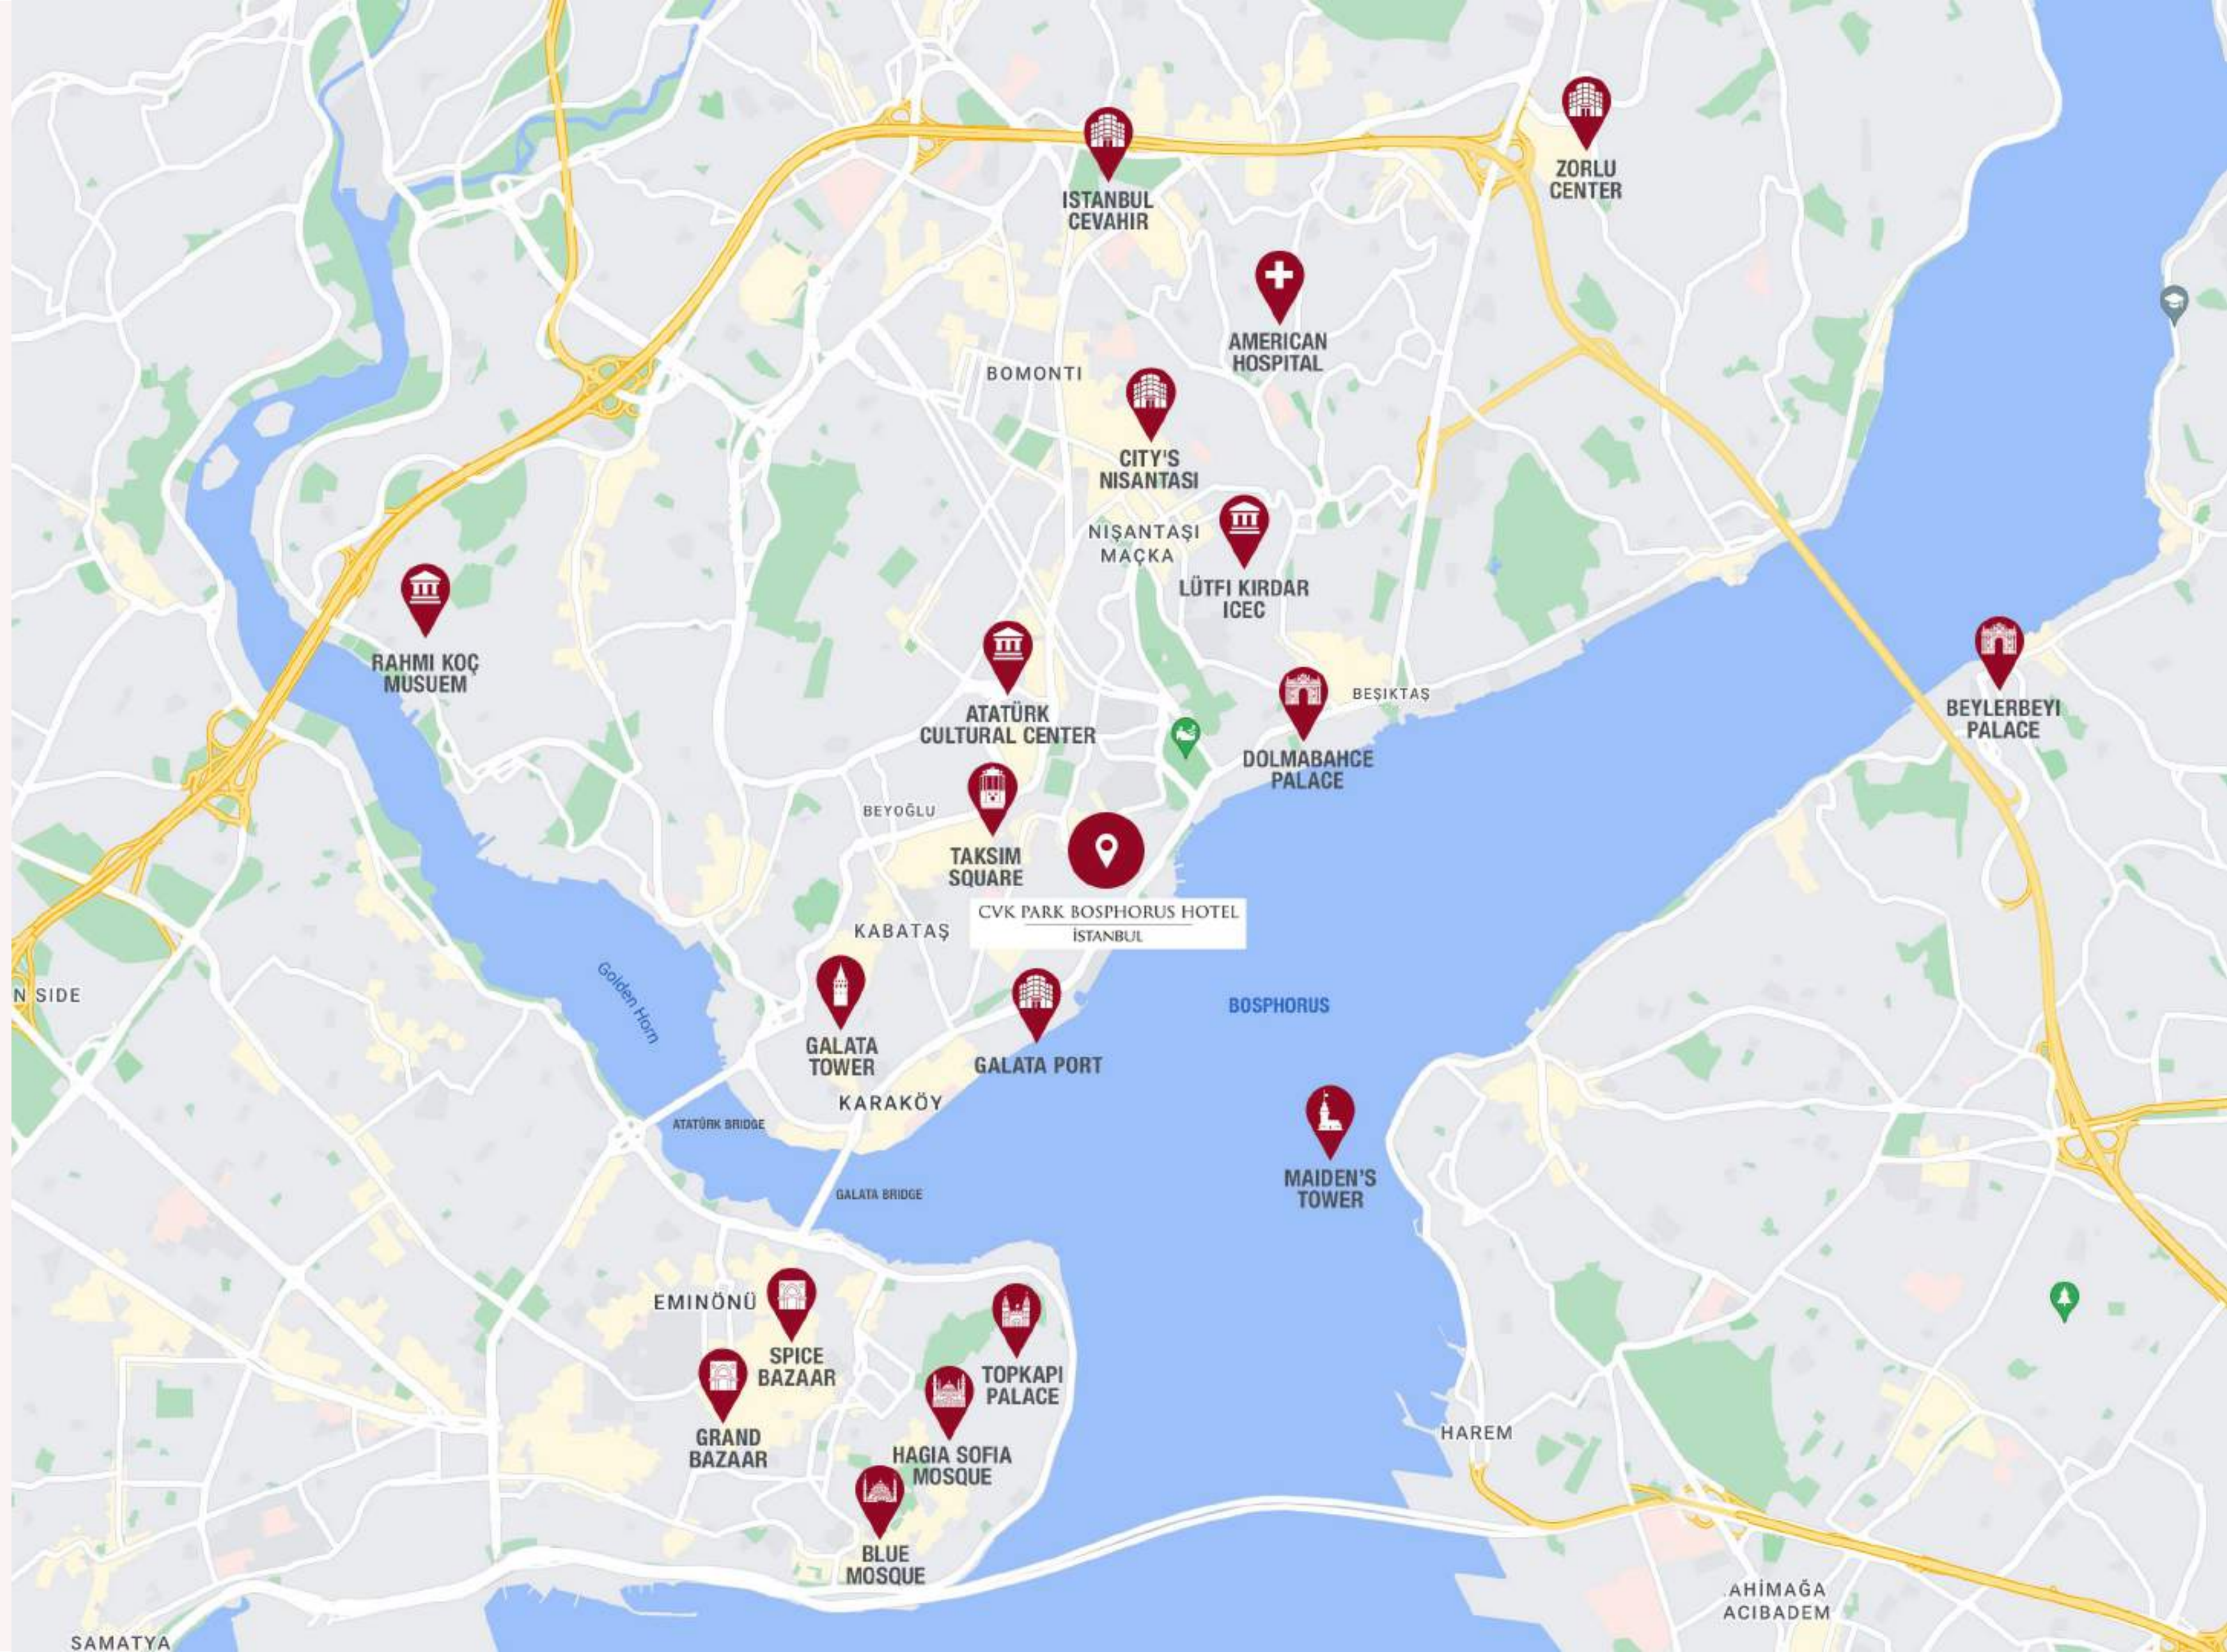

CHARMING AND ENJOYABLE

Istanbul, the city of contrasts, offers it all; from historical monuments to modern architectural treasures and natural beauties. For the shopping experience of a lifetime, be sure to visit the Grand Bazaar, an astonishing maze of street markets with thousands of shops, featuring everything from tantalizing spices and antique carpets, to fine arts and crafts. For a more modern take, the luxury shopping, fashion and lifestyle district of Nisantasi has it all in its sart-nouveau style buildings, including upmarket bars and restaurants.

Visit Karaköy, and Galata Port – the famous historical neighbourhoods of Istanbul, which is today, the address of cool shops, art galleries, restaurants and bars. Spare some time for Beyoğlu; the most vivid shopping and entertainment district of the city featuring the Istiklal Avenue with historical tram and Galata Tower. And also take a relaxing cruise out to the Prince's Islands.
