

Green Room Program

Green World

Join our sustainability program and enjoy more benefits during the stay!

By letting us know that daily cleaning for your room is not needed, you can choose to enjoy benefits such as discounts or complimentary items from our restaurants, bars, activity offerings and more.

How does it work?

-  Participate in the Green Room Program by informing our staff during reservation process, upon check-in or during the stay.
-  Choose the dates during your stay that you would like to opt out of cleaning service and enjoy one benefit for each day selected.

Remark: Please check the current benefit selection with our hotel team. The benefit selection depends on the seasonality and can be changed without prior notice.
