
THE LANDING POINT

The perfect landing, every evening...

Poised next to the 1933 Clifford Pier – once the first port of call for Singapore’s forefathers and thereafter, a ferry terminal for small boats and ferries heading for the Southern Islands until 2006 –

The Landing Point is named in tribute to the historic significance of its location.

This sophisticated waterfront lounge blends the charm of Singapore’s bygone eras past, with the impressive visions of the modern metropolis’ waterfront panorama today.

In line with our sustainability efforts,
we offer a selection of seafood from sustainable sources.
Our dishes also showcase freshly grown herbs from our
Fullerton Farm, whenever possible.
