# Water Sports

## SUP

Enjoy the calm and tranquil experience of gently gliding across the sea on one of our fabulous key west paddle boards. You can sit, kneel or stand, so whatever your level of skill you can enjoy a memorable time on the Mediterranean, either on your own or with family and friends.

## SCUBAJET™

Most versatile and lightweight water jet system of its kind, our sea-scooter effortlessly glides beneath the ocean's surface or across the vast expanse of the sea. Powerful yet compact, it caters to the needs of beginners, advanced users and professionals alike. Transforming the way you move through water, our sea-scooter ensures endless amounts of fun on and under the sea.

## BIKESURF

Discover the coast from a different angle. We offer private rentals, as well as group tours and classes. BikeSURF is perfect for cyclists of all levels, thanks to its comfortable, stable, and ergonomic design.

## EFOIL · FLITEBOARD™

Glide across the Mediterranean at breathtaking speeds and experience the incredible sensation of eFoiling. Your instructor will teach you all the basics and walk you through the dynamics of the board to get you up and flying with ease. You will be up and flying over the sea, feeling that sense of freedom in no time.

## EPADDLE

Ride further, conquer new shores, beat the tides and explore more! Now the whole family can enjoy the new and unique experience of Electric Paddleboarding on the beautiful Costa del Sol. Our ePaddles will have you coasting across the water at speeds of up to 11 km/h in no time at all. Go faster, go further, go longer and enjoy the Mediterranean like never before!
