WASHINGTON SUITE

Our Washington Suite is the larger of our wedding rooms. Added to the hotel in 1901, this ballroom was designed so that lovers could waltz under the stars back when there was a glass ceiling. When our wedding couples commence their first dance, they become part of over a century's worth of love stories . . .

This beautiful space has a stunning arched ceiling with intricate details. Hire for this room requires a minimum of 75 guests for the daytime and 120 guests for the evening.
