

DIPLOMAT prime

LUXURY BOUTIQUE STEAKHOUSE

Diplomat Prime is our luxury boutique steakhouse led by Executive Chef Rashaad. The restaurant boasts a reimagined menu of prime beef aged in-house, seasonally-driven seafood dishes, and select delicate fare. The beverage program includes a variety of old world and new world wines available by the glass and bottle, as well as an extensive list of classic cocktails designed to complement the steakhouse fare. Inspired by the hotel's iconic period through the 1950s, the design of the no-seat restaurant incorporates elements of sophistication and playful femininity to a steakhouse space that historically had masculine overtones.
