The “U Make a Difference” programme is carried out in all of our U Hotels & Resorts. It is a community relations activity to support organizations that serve a broad segment of the local community. We invite our guests to be part of this programme too, because U can make a difference!

As our guests, you can be a part of this programme. Our hotel will contribute USD 1 for every night a guest stays at our resort. The contributions will be presented to the charities twice a year. As part of the "U Make a Difference" programme, we will arrange weekly scheduled visits to the charity so guests can see firsthand the improvements that their contributions are making to the community.
