SPA MENU

MASSAGES

TRADITIONAL LIGHT HAND MASSAGE

Traditional light hand massage promotes relaxation, among other health benefits, is slow and gentle. Recommended for first time comers as well as guests that don't get massage as often.

60 min / 600 QAR

DEEP TISSUE SPORTS MASSAGE

A type of massage therapy, deep tissue massage uses firm pressure and slow strokes to reach deeper layers of muscle and the connective tissue surrounding muscles. It's used for chronic aches and pain and contracted areas such as a stiff neck and upper back, low back pain, leg muscle tightness, and sore shoulders.

60 min / 650 QAR

RELIEVING HOT STONES MASSAGE

Hot Stones massage offers unique, relaxing sensation that is also very beneficial for any muscle aches and pains. The penetrating heat and weight of the stones are said warm and relax tense muscles so the therapist can work deeper, more quickly.

MASSAGES

REJUVENATING BAMBOO MASSAGE

Hot Bamboo massage is a new type of massage therapy. Warmed smooth bamboo is integrated into a flowing Swedish massage. This wonderful technique promotes a deep sense of well-being and delicious relaxation and is an amazing combination of deep beneficial and relaxing massage at the same time.

60 min / 700 QAR

THERAPEUTIC REFLEXOLOGY

This exceptionally beneficial massage is much more than a foot massage. In the past it was used as a diagnose tool. Beyond the feel-good effects of the treatment, the practice and purpose go deeper than the skin and muscles by taking specific reflex points on the foot to induce a healing response in corresponding organs and areas of the body, connected to the foot.

60 min / 600 QAR

TRADITIONAL THAI MASSAGE

Thai is a special adaptation of massage and the amazing benefits of the Thai body stretches. This massage is ideal for clients who don't want to disrobe or feel the cold. Excellent deep and stretching massage for those who carry a lot of tension.

60 min / 600 QAR

TAILORED PRE-NATAL MASSAGE

Massage therapy during pregnancy is a wonderful complementary choice for prenatal care. It relieves many of the normal discomforts experienced during pregnancy, such as back aches, stiff neck, leg cramps, headaches and edema (or swelling). In addition, this massage reduces stress on weight-bearing joints, encourages blood and lymph circulation, helps to relax nervous tension.

MASSAGES

COUPLE'S TRADITIONAL MASSAGE

A couple's massage is a wonderfully relaxing, personal experience. During the session, two people receive massages at the same time and in the same room from two different therapists. The therapy provides many of the same benefits as other types of massage but with some added bonuses. Couples massage is a special, shared experience that encourages two people to bond closer together.

FOUR HAND MASSAGE

Four-handed massage is a massage where two therapists work on you at the same time, mirroring each other's' movements. Both your legs or arms are being massaged at the same time or one therapist works on the right side of your back while the other works on the left. Four-handed massage feels like you are completely enveloped in sensation and is a wonderful experience.
