

MARBELLA CLUB

San Juan

20TH-28TH JUNE, 2025

Join us this summer solstice for the fisherman's festival of San Juan, a traditional Andalusian celebration connecting the elements of fire and water with renewal and rebirth. The weekend's events will introduce you to some of our key partners and the idea of 'wholeness' – living in balance – in the most spontaneous, joyful and colourful of ways.

A vibrant, eclectic interior space, likely a boutique or a themed room. The wall is covered in vertical blue and white stripes. A large, arched mirror with a wooden frame is mounted on the wall, reflecting a colorful, patterned curtain. To the left, a large, ornate, multi-colored curtain hangs from a wooden frame. In the center, a small, ornate white table holds a pink chair with a colorful, patterned cushion. To the right, a long, pink table is covered with various items, including a pink bag, a small pink chair, and a small table with a pink tablecloth. The floor is covered in a light-colored, textured rug. The overall atmosphere is bright, colorful, and eclectic.

An introduction to a weekend of renewal through a taster of mindful movement with Sanctum and powerful breathwork by Lisa de Narváez.
