

At Golf Hotel Punta Ala, four-legged friends are welcome!

Some rules for harmonious coexistence with other guests

- ✓ The resort accepts us: dogs, cats and other small and medium-sized pets up to a maximum of 25 kg
- ✓ There is an extra charge of € 25.00 per day per animal for our holiday
- ✓ My human owner is responsible for any damage to the property or personal injury I may cause during my stay
- ✓ We cannot paw in the Pool area and the Conference Rooms, while we can walk in the park behind the resort and at the Beach Bar & Restaurant. Beware we may accompany our human owners to the Patio of the Golf Hotel Restaurant, in areas reserved for us
- ✓ And to let off some steam? The Golf Hotel has dedicated a large exercise area just for us, where we can enjoy the shade of the beautiful grove
- ✓ We can relax on the beach under the parasol, but we can't swim in the sea
- ✓ We must take care not to disturb other Human Guests who are on holiday like us
- ✓ We must always walk with our leash and behave politely
- ✓ If I don't like being alone, I won't have to be left in my room for too long... In addition, my human owner, by alerting the staff, will facilitate the cleaning work by the Hotel staff
- ✓ My owner will always have to carry hygiene bags with him on our outdoor walks

I know that for any needs the Staff of Golf Hotel Punta Ala will be at my beloved owner's disposal and look forward to memorable moments!

Woof woof, have a nice holiday!
