INVITE WONDER

Immerse Yourself in a World Above. Perched atop Mont Gabriel, just an hour from Montreal, stands a mountain resort steeped in heritage and brimming with life. Weaving together a storied history, natural splendor, and a bold spirit, Mont Gabriel, Ste-Adèle – a Resort Tribute Portfolio – invites guests to immerse themselves in the textures, flavors, and sensations of the legendary Laurentian Mountains. From breathtaking skiing and hiking to relaxing by the fire, our hotel is a place to lose yourself in the moment, deepen connections, and awaken the senses.

A true marvel every month, our resort offers a ski-in, ski-out experience in winter, and golf, tennis, and pickleball on-site during the warmer seasons. The resort is the perfect destination to enjoy autumn colors, spring blossoms, sugar shacks, and renowned restaurants. Leave the everyday behind and disappear into a story that has long captivated both the relaxed and the free-spirited. Here, in the mountains, you can breathe deeply, live fully, and sleep peacefully.
