Requirements

The following guidelines should assist in addressing any queries, which may arise in the planning of your wedding.

BARBADOS LAWS

Laws in Barbados eliminate advance notice requirements. A marriage ceremony can take place as soon as a license is obtained

MARRIAGE LICENCE

Applications for a marriage license must be made by both male & female persons

Location: Ministry of Home Affairs, Jones Building, Webster's Industrial Complex, Wildey, St. Michael, Barbados

Opening Hours: Monday to Friday 8:30am – 1:30pm.

The marriage license is valid for three (3) months. Therefore, couples can get married within three (3) months only from the time they received their marriage licenses.

All couples are advised to peruse the information contained in this document and to make certain that they satisfy all the requirements for getting married in Barbados prior to making the actual application for a marriage license.

DOCUMENTS REQUIRED

- A printed copy of the document showing proof of entry into the island (Entry Documents / Return Tickets)
- All non-nationals must present their valid passports and valid birth certificates. (The original birth certificate or certified copies)
- In the case of a widow or widower, the original death certificate and original marriage certificate must be submitted;
- If either party was divorced, an original Decree Absolute or Final Judgement or a certified copy of either document by a Notary Public must be presented. The Decree Nisi is not acceptable.
- A signed letter from the Marriage Officer or official note from the Magistrate that states his/her intention to perform the wedding ceremony must be presented when applying for the marriage license.

Requirements

The following guidelines should assist in addressing any queries which may arise in the planning of your wedding
