# THE DARK HEDGES

AN 18TH CENTURY MARVEL

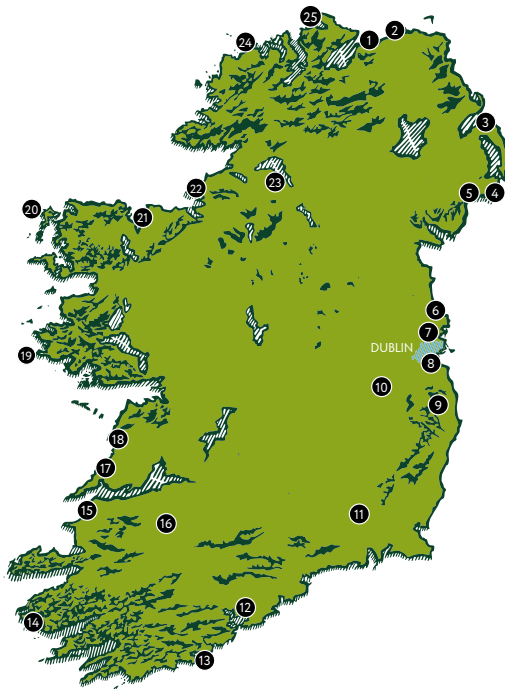

The Dark Hedges is an avenue of beech trees along Bregagh Road between Armoy and Stranocum in County Antrim, Northern Ireland. The trees form an atmospheric tunnel that has been used as a location in HBO's popular television series Game of Thrones, which has resulted in the avenue becoming a popular tourist attraction.

## 400 YEARS IN THE MAKING

Discover the rich heritage and craftsmanship of Bushmills, the world's oldest licensed whiskey distillery, nestled by the River Bush near the iconic Giant's Causeway. Since 1608, we've honed our craft, creating the smoothest Irish single malt with a signature floral and fruity style.

Every bottle reflects over four centuries of passion, a grain-to-glass dedication, and a spirit of innovation that shapes our future. Bushmills is more than just a whiskey. It's a village, where family, friends and neighbours work side by side at the distillery. As we often say, "without the village there would be no whiskey, and without the whiskey there would be no village".

Raise your glass to tradition, innovation, and the timeless taste of Bushmills Irish Whiskey.

## A POSTCARD FROM NORTH ANTRIM

A lone figure is waving  
From the thin line of a bridge  
Of ropes and slates, slung  
Dangerously out between  
The cliff-top and the pillar rock.  
A nineteenth-century wind.  
Dulse-pickers. Sea champions.
