Aileron Golf Club at Sunseeker Resort

*"Aileron Golf Club offers Southwest Florida a new unique level of luxury play as it will be the first resort-guest only golf course for a complete newly-built integrated resort destination with over 700 rooms to open in the state in over 3 years." said Jason Shkorupa Senior Vice President of Sunseeker Resorts "The response from the industry has*

*been incredible, golf pros and fans of the game have expressed to us they cannot wait to experience the vibrancy of a new destination and all the amenities that will be waiting at the resort after a rewarding day of play."*

Golfers of all levels will enjoy an unforgettable golfing experience with opportunities to improve their game or hone their skills. Aileron Golf Club will offer a wide range of private and group instruction, focused on learning cause and effect principles applied in set-up and motion, unlocking golfers' ability to improve direction and maximize distance. Additionally, offering the best equipment available for practice, demos and expert club fittings that target improving accuracy, fewer putts and building more confidence on the course. In addition, Aileron boasts a practice facility which includes a full-size driving range with target greens, short game practice greens with shot selections ranging from 10-60 yards with multiple bunkers to refine chipping skills, and a 7,400 square foot putting green that simulates similar putts you will see throughout the course.
