20TH ANNIVERSARY MOONCAKE COLLECTION

LEGACY IN BLOOM

The soil nourishes the flower's bud; the flower beckons the butterfly home. For twenty years of passion, Park Hyatt Saigon has blossomed gently, like a delicate flower drawn to life by the nurturing soil of Vietnam's culture and treasured heritage. Travellers, our graceful butterflies, find their ways to The Park, alight for a moment, rest upon the bloom, then depart with pollen of a moment well cherished.

Like an **embroidered time capsule** of a once-glorious time, **Legacy in Bloom** is how we hand a piece of yesteryear to companions who hold it closely. Each mooncake is a petal of memory, artfully gathered to sow lingering sweetness upon the palate. May this full moon season bring you the warmth of old memories and the promise of new ones. May you find peace in reflection and joy in connection.

The collection comes with **four cake varieties**: Truffle beef mixed nuts, Seafood mixed nuts with XO sauce, Coconut salted egg lava, Lotus (vegetarian).
