

JUNE 16, 2022

Rooftop Garden Bar & Grill

A barbecue experience like no other just in time for Father's Day

**SINGAPORE** – Sip on a tall glass of refreshingly cold beer as you savour perfectly grilled meat. Meanwhile, the sky turns a vivid, pink-orange-blue that fades to a starry black and the city lights slowly twinkle on as the sun sets across Singapore's historic civic district. This could be you at the new dining experience Tablescapes introduces this June in the beautiful rooftop garden of Grand Park City Hall.

Offering precisely barbecued platters of fine meats and seafood and a tranquil rooftop garden setting, there's no better way to start the weekend than at Tablescapes' new Rooftop Garden Bar & Grill. Just in time for Father's Day, Tablescapes celebrates the occasion with a limited-time platter specially made just for dads, available only on 10 June 2022 and 17 June 2022.

**Dining Under The Moonlight**

The rooftop garden of Grand Park City Hall is beautiful – a wide open space paved in dark grey stone softened by lush green shrubs carefully planted in hedgerows, and dramatic wrought-iron scaffolding that frame the open skies overhead and the sprawling city skyline all around. Amidst this setting are thoughtful group set-ups in varying styles so that guests can choose the seats most comfortable for them. Cushioned sofa seats and tables, set low to the ground, are perfect for those who prefer lounging while tall, elegant chairs and tables in small groups would work well for those who prefer a more formal seat. Considerately set a good distance apart, the layout still offers each group of guests a sense of privacy while allowing everyone to enjoy the free, wide-open feel of a rooftop terrace.

**The Menu**

What better way to take advantage of the open-air space than with a barbecue-focused menu? Tablescapes' Rooftop Garden Bar & Grill offers a range of barbecue platters that are grilled on-site upon order. Expertly curated by the culinary team for dining pleasures that is the definition of back-back luxury, the menu is streamlined and still offers something for everyone, even the little ones.

The luscious **BBQ Seafood Platter** (\$78++) features an array of seafood like King Prawns, Lobsters, Mussels and Octopus that are so fresh, all they need is a simple seasoning with salt and pepper, then a quick kiss from the grill. For guests that prefer milder options, the **BBQ Meat Platter** (\$68++) presents a delicious set of proteins that includes a perfectly grilled Organic Baby Chicken, Beef Strips and Juicy Bratwurst Sausages, juicy and tender.

The **Grande Meat Platter** (\$118++) is a treat for those who would love to indulge at this destination. This barbecue set features a beautifully marbled piece of Sanchozo Wagyu that has been delicately grilled to preserve its exceptional flavour. The set also presents options like a savoury and tender Smoked Lamb Rack, Organic Baby Chicken and Bratwurst Sausages, all barbecue grilled in front of diners as well.

Diners are also given the choice to select two vegetable accompaniments for each platter. Complete the meal with a range of fresh sides such as asparagus, eggplant, bell pepper, forest mushroom, and corn, given extra depth of flavour by being grilled together with the mains.

All platters come with a range of housemade condiments like Tablescapes' aptly named **Angry Sauce**, comprising hot sauce, BBQ sauce, Tabasco, chili sauce and some horseradish. Other options include a rich **Merlot Jus** made with red wine and a housemade beef bone broth, a deliciously spicy **Sambal Belacan** and a classic **Chimichurri Sauce**.

The menu also includes options for those who need carbs with their meal. Specially curated to ensure they pair well with the various barbecue platters, these sharing dishes include items such as **Truffle Fries**, and a rich **Mac & Cheese**. Tablescapes' signature **Bread Basket** will also be available as an option, featuring the Modern European restaurant's most popular selection of artisanal breads.

**Kid's Menu**

Families are welcome at Tablescapes' Rooftop Garden Bar & Grill – children will also be able to have their very own meal, specially created and portioned to suit their younger palate and appetite. Tablescapes presents mains like the classic **Fish and Chips**, made with battered sea bass and served with fries; a traditional **Margherita Pizza**; the **Kid's Burger**, made with a juicy Wagyu beef patty enveloped in housemade bun; and the restaurant's classic **Gnocchi** dish made with Italian potato dumplings.

**Bar Refreshments**

Tablescapes' Rooftop Garden Bar & Grill offers a selection of drinks perfect for winding down after a long work week. While streamlined, there's something delicious for everyone.

Those who enjoy a good brew – especially with their grilled meats – can pick up an ice-cold bottle of Heinekken or in buckets of three or five respectively. Wine lovers can sip on their housepour red and white while guests who prefer a little sparkle can choose the housepour prosecco.

Prefer something with a little kick? There's a nice selection of housepour spirits. Or go for the rather adorably named Fruity Tutty Cookers, perfect for alfresco enjoyment.

With drinks available at easy-going prices from \$10++ onwards, Tablescapes' Rooftop Garden Bar & Grill is perfect for a long leisurely chill-out with friends and families under the stars. There's also a very attractive Happy Hour offer for diners with housepour wines and housepour liquors at an easy \$8++ and \$10++ respectively.

**Opening Hours**

Tablescapes' beautiful new rooftop experience will be available only on Fridays and Saturdays, from 6pm to 10pm – making it the perfect way to start a weekend. While the alfresco experience will be available for dine-in, the bar will also welcome guests who want to enjoy a quick pre- or post-dinner drink surrounded by greenery and the stars.

**Father's Day**

This special launch comes just in time for Father's Day! To celebrate the occasion, Tablescapes' Rooftop Garden Bar & Grill presents a **Father's Day Family Platter for 4** at \$128++.

**Available from 10 June 2022**, this special package includes a generous array of proteins perfect for hearty appetites. The mixed grill platter presents portions of succulent Beef Strips, Baby Chicken and Juicy Bratwurst Sausages as well as King Prawns, Lobsters, Octopus and Mussels that were soaked in a lemon beurre blanc sauce.

To add on to the excitement, Tablescapes treats all dads with their choice of a glass of either a Prosecco, Red Wine or White Wine to set the mood right for their celebrations.

Tablescapes' Rooftop Garden Bar & Grill elegantly brings together food, drinks and the beautiful rooftop setting for a love barbecue dining experience at the heart of Singapore's historic civic and business district.

**West Tablescope**

Officially opened in January 2018, Tablescope is a Modern European restaurant and bar located within the luxurious Grand Park City Hall. Featuring garden service, classic dishes with a contemporary twist, and an interior of neoclassical beauty, guests are transported back to a time when dining at a restaurant was a special moment in life. The bar brings together an inspired list of artisanal cocktails, wines, and craft beers to complete the dining experience, and create an exquisite destination for all-occasion dining in the heart of Singapore's historic civic and business district.
