Singapore, 13 August 2026 – Great food and drinks often begin with flavours that already hold a place in our memories. Whether it is the aroma of freshly baked pastries, the ritual of afternoon tea or the comfort of a morning coffee, these familiar moments inspire experiences we return to time and again. Bringing this philosophy to life, Carlton Hotel Singapore unveils **Flavours, Reimagined**, TUX Bar & Lounge's latest signature cocktail selection available from **20 August 2026**.

TUX BAR & LOUNGE: FLAVOURS, REIMAGINED

At the heart of the launch is *Flavours, Reimagined*, TUX Bar & Lounge's latest signature cocktail selection. Inspired by the comforting flavours of freshly baked pastries, afternoon tea, banana bread, coffee and tropical fruit, the collection celebrates the art of transforming familiar culinary favourites into refined cocktail experiences.

Leading the collection is **Cinnamon Banana**, inspired by the comforting aroma of freshly baked banana bread and Singapore's beloved *goreng pisang*. This spirit-forward cocktail layers caramelised banana with warm cinnamon spice and charred oak, creating a nostalgic finish that lingers long after the last sip.

Paying homage to mornings in Carlton Hotel Singapore's pastry kitchen, the ***Croissant Espresso Martini*** reimagines the modern classic with rich espresso and buttery croissant notes, capturing the irresistible aroma of fresh bakes alongside the unmistakable allure of coffee. Inspired by the pastries crafted daily at Tuxedo Café & Pâtisserie, it forms a natural connection between the hotel's pastry kitchen and cocktail bar.

Bringing together two timeless rituals, the ***Earl Grey Negroni*** marries the elegance of afternoon tea with Italy's iconic aperitivo. Earl Grey lends delicate bergamot and floral notes to the bittersweet classic, while a smoked citrus finish adds subtle complexity to every sip.

Inspired by *Chado*, the Japanese Way of Tea, the ***Matcha Highball*** balances vibrant matcha with silky salted cream for a refreshing expression of harmony, texture and restraint.

Completing the collection is ***Tropical Mango Spice***, inspired by the familiar street-side ritual of ripe mango dressed with chilli and lime. Luscious tropical fruit, bright citrus and a gentle warmth of spice come together to capture the carefree spirit of endless summer.
